

WORKING GENIUS

Unlock Your Team's Full Potential With the 6 Types of Working Genius!

What Is It?

Developed by Patrick Lencioni's Table Group, The 6 Types of Working Genius helps individuals and teams understand how they naturally contribute to work. It identifies where each person thrives, and where they struggle, so teams can align roles, boost morale, and get more done together.

Why Partner With Us?

A DBD Group senior consultant, certified by the Table Group, will guide your team through every step, from taking the assessment to understanding results and applying insights in real-time. We are committed to helping you leverage the model to foster collaboration, boost productivity, and build an engaged, fulfilled team.

What You'll Gain:

- A better understanding of past successes and setbacks to gain clarity and confidence
- Insight into which work energizes you and which drains you
- A more compassionate view of motivation—yours and others'
- Freedom from guilt over struggling with certain tasks
- Stronger communication and decision-making in meetings
- Ideas about strategic role adjustments to maximize strengths and boost productivity

What to Expect:

Our practical, hands-on approach is tailored to your unique needs and team environment.

We believe so strongly in this method because we've experienced its transformative power ourselves. When teams understand and embrace their areas of Genius, they can work smarter, more harmoniously, and with renewed purpose.
